An Open Discussion

*“Of all forms of inequality, injustice in health is
the most shocking and inhumane”*

- Dr. Martin Luther King, Jr.

EXPERIENCES ARE POWERFUL.

The East Midlands Neonatal Operational Delivery Network are committed to tackling inequalities in healthcare.

To do this we need to engage in honest and vulnerable conversations about race and equality in healthcare.

If you have had a baby in one of our 11 neonatal units across the East Midlands we want to hear from you about your experiences.
