

HELP US TO PROTECT YOU AND YOUR BABY.

1 IN 3 PEOPLE WITH COVID-19
DO NOT HAVE ANY SYMPTOMS
AND WILL SPREAD THE VIRUS
WITHOUT KNOWING.

TO REDUCE THE SPREAD
AND TO PROTECT YOU,
YOUR BABY AND OUR STAFF,
WE NEED TO IDENTIFY
PEOPLE WHO HAVE
THE VIRUS.

TO DO THIS WE ASK YOU
TO JOIN US IN HAVING
A COVID-19 TEST
TWICE A WEEK.

SPEAK TO A
MEMBER OF STAFF
TODAY TO HELP KEEP
OUR NEONATAL UNIT SAFE.

IT'S QUICK.

IT MIGHT FEEL
A LITTLE
UNCOMFORTABLE..

BUT IT WON'T
HURT.
