

Foundations in Neonatal Care Course

Free

April 2025 Cohort

This is a 6 month course specially designed for pre QIS staff working on a neonatal unit or in a transitional care setting within the East Midlands. The course will commence on 08 April 2025 and will run on a fortnightly basis on alternate Tuesdays.

Course includes:

- 8 x virtual study days
- 1 x tutor visit in your clinical area
- 1 x competency booklet
- 2 x taught face-to-face study days
- 1 x face-to-face presentation day
- 1 x access to Moodle (eLearning platform)

All applications must:

- have line manager agreement
- have access to a reliable device with camera
- have an allocated sign-off mentor
- be able to attend at least 80% of study days
- be willing to contribute to feedback

"The Education Team were always available for support when needed and were very helpful"

"The sessions were explained really well and helped grow my current knowledge"

"I would recommend the course to all new starters and those new to neonates"
